

## **Notice to Providence Residents**

We want to make you aware of a billing mistake on your most recent bill. Due to a clerical error, you were billed an additional \$1.50 for trash fees. The additional trash fee was supposed to have been applied to another subdivision and not Providence. We apologize for any inconvenience this may cause.

## **Your trash fees have not increased**

We are crediting all Providence customer accounts \$1.50. Please reduce your amount due by \$1.50. For anyone who has already made payment, or does not reduce their payment, a credit of \$1.50 will be reflected on the next bill.

Once again, we apologize for any inconvenience. Please call 940-440-9561 if you need any assistance.

Sincerely,

Mustang Special Utility District
