5. No Encumbrances: (a) Nothing shall affect Mustang's absolute ownership of and title to the hydrant meter and backflow prevention assembly. The ownership and title are reserved and retained by Mustang. (b) The CONTRACTOR agrees that it will not, in any manner, suffer or permit any of the Equipment to be pledged, seized, or held for any tax, debt, lien, or obligation arising because of the CONTRACTOR. (c) The CONTRACTOR will pay and discharge when due all taxes, fees, assessments and other governmental charges or levies imposed during the term of this Agreement with respect to any of the Equipment, provided that the tax, fee, assessment, charge or levy need not be paid if, and so long as, its validity shall currently be contested by appropriate proceedings. In case of the CONTRACTOR'S failure so to do, Mustang may recover the property and all costs of such recovery shall immediately be due and payable from the CONTRACTOR.
6. Return of Equipment: The CONTRACTOR shall at the end of this Agreement or at the earlier expiration, or other termination of this Agreement with respect to the hydrant meter and backflow prevention assembly, deliver the equipment in good order and repair, reasonable wear and tear excepted, free and clear of all liens, charges and encumbrances of any nature excepting only those granted by or arising through Mustang.
7. Indemnification: Except as otherwise provided in this Agreement, the CONTRACTOR shall release fully and hold Mustang, its agents and employees harmless and will indemnify them from all liabilities, including costs and legal fees, if any, including claims for damages on account of loss or damage to the property of, members of the public, the agents, servants employees, licensees, tenants, lessees and patrons of Mustang, in any manner attributable to or arising out of the ownership, operation or maintenance of the Equipment, regardless of whether caused in whole or in part by the negligence of Mustang, provided, however, that this provision shall not apply to liabilities proximately caused by acts of Mustang, which constitute willful and wanton negligence or criminal acts.
8. Loss of Equipment: If any of the Equipment is lost, stolen, or willfully or accidentally destroyed, the CONTRACTOR will notify Mustang immediately in writing and use all reasonable endeavors at the CONTRACTOR'S own expense to recover the Equipment.

9. The CONTRACTOR waives any mandatory requirements of law, now or subsequently in effect, which might limit or modify any of the remedies here, to the extent that law permits the waiver.
 - (c) The failure or delay of Mustang to exercise the rights granted it here upon any occurrence of any of the events set out her shall not constitute a waiver of any right upon the continuation or recurrence of those or similar events.
